### SURVIVING THE LOSS OF A PET

Kelly Johnson and other professionals in grief care partnered with the Parmenter Foundation to create educational and supportive videos about pet loss. (They filmed the videos right here at The Plymouth Church!) The Parmenter Foundation supports families in the Metro West area with the many ways we grieve beloved members of the family, and they have extended that compassion to the non-human members as well. Please take a few minutes to watch the videos included in the most recent *Wednesday Email*, especially if you or someone you care about has lost a pet.

Responsive Psalm Invocation

One: How lovely is your dwelling place, O God!  
My soul longs, indeed it faints for the courts of my lord;  
my heart and soul sing for joy to the living God.

**All: Even the sparrow finds a home,  
and the swallow a nest for herself,  
where she may lay her young,  
at your altars, my sovereign and my God.**

One: Happy are those who live in your house,  
ever singing your praise.

Happy are those whose strength is in you,  
in whose heart are the highways to Zion. (Psalm 84:1-5)

# WORSHIP ANNOUNCEMENT & COVID UPDATE

## COVID Regulations and Expectations for all groups meeting at The Plymouth Church in Framingham

Vigilance and intention are still necessary. Therefore, everyone gathering indoors is required to wear a mask and to maintain social distance. For every event, groups are expected to enforce at least two levels of protection. With variants still spreading and realizing not everyone in our community has been vaccinated these extra precautions are one way we demonstrate our love for our neighbor.

---

### Worship Update

Sunday morning worship, along with funerals and special worship, will continue in-person, with a live-stream option on our YouTube Channel. In addition to the expectations above, the following additional protocols will be in place.

1. We will open the windows slightly to increase airflow
2. Please dress warmly and expect the Sanctuary to be chilly!
3. We will suspend congregational singing.
4. Proper masking over the nose and mouth will be strictly enforced, by Deacons and by Clergy.
5. According to recent guidance, we encourage folks to wear surgical masks under their cloth masks, double-mask, or wear a N95 or equivalent.
6. Physical distancing will be more strongly encouraged.
7. We have closed every other pew (thanks, Meg!) to help facilitate this.

After the service, we encourage worshipers to exit the Sanctuary and to gather, safely distanced, in the Parish Hall and in the Parish Hall foyer for conversation. Worship will be intergenerational, including a message for children and a shorter overall duration. We welcome all children and all stages of faith — wiggles, squiggles, squeaks and all!

### Staff Policy

All staff must be vaccinated against COVID or provide weekly negative PCR COVID tests to confirm they are COVID-negative. In addition, all staff must wear a mask at all times when indoors and outdoors when in the presence of others.

### Office Hours

Church staff are working their regular hours. During this surge, however, the Church Office will be open to the public on **Monday**, **Wednesday**, and **Thursday**. Please make an appointment before stopping by. While we may be your only contact in the day, you might be one of many for us. To help keep staff healthy and able to serve the church, please be sure to put your mask on before entering the building. Thank you!

### Masks

As a church community we show our love and concern for one another, from the youngest to oldest, by following proper masking guidelines. In order to keep each other safe, and protect the most vulnerable in our midst, we will be offering gentle reminders for worshipers to correct their masks before and during the worship service. When asked to fix your mask, try not to take offense. As with all our interactions at church, we lean into graciousness and gratitude!
